

John Crawford
Administrator
Information Technology Division

John A. Crawford serves as Administrator for the Information Technology Division. He is also responsible for Department Planning and Continuous Improvement and leads the department's Strategic Planning Team. John joined the department in 2004 as Assistant Director of Marketing Services and holds a bachelor's degree in Management from Middle Tennessee State University. Prior to joining the department, John spent twenty-five years in the Original Equipment Manufacturing industry, holding various domestic and international management positions with companies such as Eaton, Aeroquip, and Stanley Tool. He resides in Franklin with his wife Dawn and has two children, Amber and Kevin, who are both attending MTSU.
